1. On 7 September 1951, the Jutz Kaserne in Wunsdorf (N 52 1/2 91) seemed to be occupied by only a guard detail of soldiers who wore red-bordered black epaulets. A blank for the distribution of sentries of the 1st Guard Detail of the training company of Unit [ ] was found north of the barracks installation. [ ] \* The Gumbrai Kaserne also seemed to quarter only a small detail of soldiers, German workmen who did some finishing work in the installation stated that troops would move in soon. Armed personnel carrier [ ] was seen leaving the installation and subsequently picking up mail at the Wunsdorf railroad station. A German employee stated that the Hindenburg Kaserne quartered 119 officers who were waited on by six German women. Several Soviet women in uniform, who arrived in the beginning of September, were cleaning the installation. Vehicles [ ] were parked in front of the hospital between the Hindenburg Kaserne and Zehrendorfer Strasse.
